

## FOOD FOR THOUGHT

My people are destroyed for lack of knowledge.....Hosea 4:6

There is an old adage that says, “What you don’t know won’t hurt you.” That could not be further from the truth. Not only will ignorance hurt you, but it will ultimately destroy you. Can you imagine being engaged to someone, preparing for a wedding, only to find out that, your fiancé’ is already married to someone and living a double life? Can you imagine not having any physical symptoms of illness for years then suddenly you go to the Doctor and find out that you are very ill, and have been for years? Yes, ignorance is definitely not bliss.

God says in his word, “My people are destroyed for lack of knowledge.”

It is the plan of the enemy to keep us in the dark concerning the truths of God’s word so that he may steal, kill and ultimately destroy us. If we don’t know that healing is provided for us, we will not seek healing. If we don’t know that God will supply all of our needs, we will accept lack. However, when we know what God’s word has to say concerning our situations, we will be able to experience the triumphant victory that God promises his people when they stand on his word.

Therefore, let us not be ignorant concerning satan’s devices, but study God’s word so that we will be on top of our (SPIRITUAL) game. **KNOWLEDGE IS POWER!!!**

\*The word satan was not capitalized on purpose. We know that it is grammatically incorrect for it to be so, however we prefer being grammatically incorrect rather than giving him the honor of capitalizing his name.
