

FOOD FOR THOUGHT (Week #18)

Bless the Lord, O my soul, and forget not all his benefits. (Psalm 103:2)

When one is seeking employment, it is not only the salary that is important, but also the benefits that are offered. Sometimes the salary is not suitable but the benefits make up for it. Vacation days, sick days, insurance and other perks make the job worth accepting.

In Christianity, there are also great benefits. There are health benefits, all our needs are met, unconditional love is offered and many other precious promises. Most of all, after living an abundant life with Christ on earth, we have eternal life.

Therefore, if anyone is looking for work in the Kingdom of God, just know this: The work is hard, the hours are long, but the benefits are out of this world!!!
