

FOOD FOR THOUGHT (Week #22)

Death and life are in the power of the tongue.....Proverbs 18: 21

Our God is a creative God. In the book of Genesis, we learn that by the spoken word of God, heaven and earth were created. We were created in his image and likeness and therefore our tongue is also a creative force.

We can speak life and things positive with the tongue as well as calling the things that be not as though they were. However, we can speak negative things and cursings into our life with the same tongue.

Let us recognize the power that is in the tongue and begin to speak Life to our life and to everything that pertains to us including those seemingly dead situations and allow the life of God to be released in all things pertaining to life and Godliness. Let us declare with our tongue, "I shall not die but live and declare the works of the Lord!!!!"
