

FOOD FOR THOUGHT (Week #25)

The Lord is not slack concerning his promise, as some men count slackness, but is longsuffering to us-ward, not willing that any should perish, but that all should come to repentance. (II Peter 3:9)

A promise is an oral or written agreement to do something or not to do something.

There was a time many years ago when a promise was taken very seriously. A man's word was his bond. Deals were made and sealed with the mere shaking of hands. Unfortunately, in these days and times many times a man's word means nothing. People break promises all the time. There are many reasons for this. Sometimes it was through neglect, sometimes they forgot and sometimes to fulfill the promise was beyond their control.

It is assuring to know that the God we serve – NEVER breaks his promises. In fact the bible states that his promises are unto a thousand generations!!!! He is not neglectful, he never forgets and thank God NOTHING is beyond his control.

If God said it, he'll do it! If he spoke it, he'll bring it to pass.

Search the scriptures and find all of the promises that God has made unto you as his child and rejoice, knowing that you can **STAND ON THE PROMISES OF GOD!!!!!!**
