

CHRIST IN YOU THE HOPE OF GLORY

Colossians 1:27

(To whom God would make known what is the richest of his Glory of this mystery among the Gentiles, which is Christ in you, the hope of Glory)

The Bible tells us in II Timothy 3 that in the last days that perilous times will come. When we read the characteristics and events in that chapter, we realize that we are now living in those last days.

More heinous crimes are being committed than ever before and it seems as though almost anything goes. More perversion, more lawlessness, more drugs, more murder and the list goes on and on and one.

Because of this, so many people are losing hope and have lost hope of a better day. There is literally a spirit of despair that is in our world today and that spirit is even creeping into our churches in many cases.

Prisons filled with people that have no hope – society has turned their back.

Hospitals are full of people who because of their sickness feel as though it would be better to die.

Schools – fear of someone coming with a weapon to kill and inappropriateness even from teachers.

Criminal justice system- disparities in punishments based on socioeconomic background.

The saddest lost of hope however are those who have lost hope that God is still on the throne.

We have come here today to remind you that although things seem hopeless on a lot of levels, there is still hope in Christ. He is still the answer for the world today. Above him there is no other.

It is the living Christ, living on the inside of us that gives us hope for our dilemmas, whatever they may be.

Jesus Christ died for our sins. When he arose from the dead, he arose with ALL power in his hand. He is the omnipotent one. He has power to save, to heal, to deliver and to set free.

We are here to help promote Jesus Christ who is our Lord, Savior and soon coming King.

We are here to let you know that if you accept Christ as your Savior that your life will be enhanced and he will make the difference.

I know that when we look around us and see in the natural, it seems as though the devil is winning, but he is not. He is not and will never be more powerful than Christ.

He was defeated at Calvary. The bible says he spoiled principalities and powers and made a show of them openly.

He is our only hope of glory.

Jesus is a deliverer, he is a healer, he is a provider and he is a protector.

He can do for you what no man is able to do.

He can give you peace, he can fill your hearts with hope, he is able to bless you with his grace and mercy and give you divine favor.

Today we are here because we care about our communities. We are here because we are able to introduce you to someone who is able to change your life and circumstances.

If you are tired of what you are you doing and have tried a number of things to bring yourself joy and satisfaction and you still feel that void in your life, we want to help you and introduce you to the Hope of Glory which is Jesus Christ.

Christ in YOU, the hope of glory.
