

## GOD WILL TURN IT AROUND FOR YOU

Judges 11: 1-11

The word of the Lord today is a message of faith and hope. We are living in such perilous times that many (including believers) have begun to lose faith and confidence in God. Many have even come to a place in their life that they don't even pray anymore about those difficult situations in their lives, instead by the inspiration of Satan, have come to the decision that they will have to just live with it.

But today, August 24, 2014, I came to remind you that GOD IS STILL ON THE THRONE. Not only is God still on the throne but he is still saving, he is still healing, he is still delivering and STILL WORKING MIRACLES.

Is there anybody in this house today who believes God for a turn-around blessing? You need God to completely turn your situation around. It might be your health, it might be your marriage, it might be a situation on your job, it might be your ministry, and it might be your finances. It might even be a miracle that you need. God is able to turn any situation around.

It is incumbent upon us as ministers of the gospel of Jesus Christ as well as lay members to preach faith back into the hearts of God's people. (SO THEN FAITH COMETH BY HEARING, AND HEARING BY THE WORD OF GOD). (Romans 10:17) To remind them that God is able to turn any situation around. To remind them that: he is able to do exceeding, abundantly above all that we ask or think according to the power that worketh in us. He wants us to restore faith and trust in him for every situation. Even those that seem impossible.

In our lesson today we find a man who found himself in a bad situation through no fault of his own. His mother was a prostitute. I can just imagine how that negatively affected his life. His dad married a woman and had three children with her who rejected their step-brother right at the gate. They said "your mama is a

prostitute and our family isn't like that. You cannot be a part of our parents inheritance" and threw the man out. While they were calling him a harlot's son, God was calling him a mighty man of valor.

No matter what circumstances are attached to your name, your birth place or your situation, they cannot dictate the course of your life.

Your beginning doesn't dictate your ending. It's not how you start but how you finish that counts.

All things work together for good to them that love the Lord and who are called according to his purpose.

After Jephthah left, the time came when the children of Ammon made war against Israel.

Knowing that Jephthah was a mighty man of war, the elders of Gilead went to fetch Jephthah and to ask him to come back to fight. They promised him that they would make him captain if he accepted the offer, which he did.

When someone kicks you to the curb and counts you out, just remember that God is able to turn it around for you. God turned it and allowed Jephthah to return and be captain.

What do you need turned around in your life today? God is able to turn it around for you.
